

## Am I Eligible?

This document outlines all of the possible answers to the options on our Am I Eligible? Section.

### 1. Do you represent:

- A UK charity registered with the Charity Commission for England, Wales or Northern Ireland or the OSCR or a UK organisation with exempt charity status
- A museum or gallery
  - We have an annual funding round for museums and galleries. For more details on our Museums and Galleries Fund, please go to [our dedicated Museums and Galleries Fund page](#).
- A Community Interest company
  - We only fund UK registered charities or organisations with an exempt charitable status. However, we will sometimes make an exception if the organisation presents a clear case for why they cannot deliver their charitable purpose via the charity format. For more detail, see our [FAQs](#).
- An individual
  - We do not make grants to individuals. We only fund UK registered charities or organisations with an exempt charitable status.
- An overseas charity
  - We only support work overseas if it is in the UK Overseas Territories and it fits with the criteria of our Environment category. You must be a UK registered charity to apply. See our [Environment category guidelines](#) for more details.
- A University
  - We do not usually fund universities, and not for their core work. Exceptionally, we may consider an application from a specialist unit if you are a centre of excellence and a leader in your field. Go to our [FAQs](#) for more details.
- A hospital, hospice or school
  - We do not accept applications from such organisations.

### 2. What is your organisation's annual income?

- Not yet known. We are a newly established charity.
  - We will only consider applications from organisations with an annual income above £100,000.
- Below £100,000
  - We will only consider applications from organisation with an annual income above £100,000.
- Between £100,000 and £10 million
  - We will consider applications from organisations with an annual income between £100,000 and £10 million.
- More than £10 million
  - We prioritise UK-registered charities with an income below £100,000 and £10 million. If your income is greater than this, we will only consider a grant if you are uniquely placed to help meet our funding objectives. We call this the “only they can do it” test.

3. What type of funding are you requesting?

- Capital
  - We do not fund capital developments, building refurbishment or the purchase of individual items of equipment.
- Revenue costs, including core funding
  - Core funding has long been our signature, but we are also happy to make grants for projects or programmes.

4. What is the geographical focus of your work you are asking us to fund?

- UK wide
  - We fund organisations from any part of the UK whose work has impact across the UK. [Click here](#) to see what national significance means in each of the three categories.
- England
  - We accept applications from organisations that have national significance across England. [Click here](#) to see what national significance means in each of the three categories.
- Scotland, Wales or Northern Ireland
  - We do not fund work that is solely based in Scotland, Wales or Northern Ireland, unless the work is of UK-wide significance, or the work covers more than one UK country. For more detail, see our [FAQs](#).
- Overseas
  - We only support work overseas if it is in the UK Overseas Territories and it fits with the criteria of our Environment category. You must be a UK-registered charity to apply. See our [Environment category guidelines](#) for more details.

5. Does the work you are requesting funding or fall within any of the following activities which are excluded from our funding?

- General and round-robin appeals
  - We do not accept general or round-robin appeals.
- Individuals, including student grants or bursaries
  - We do not support individuals, including student grants or bursaries.
- Capital and equipment
  - We do not fund capital developments, building works or refurbishment, or individual items of equipment.
- Promotion of religion or places of worship
  - We do not fund work that promotes religion or places of worship.
- Arts organisations and projects whose main focus is supporting and developing individuals, rather than when new work is part of an artistic programme
  - We do not fund arts organisations and projects whose main focus is supporting and developing individuals. Please see our [Arts category guidelines](#) for more details on our Arts programme.
- Learning and participation in the arts, where this is the primary focus of the application

- We do not fund learning and participation in the Arts. Please see our [Arts category guidelines](#) for more details on our Arts programme.
- Leisure, individual holiday schemes or respite breaks
  - We do not fund leisure, individual holiday schemes or respite breaks.
- Sport, where this is the core of the organisation's activities
  - We do not fund organisations when sport is their core activity.
- Boxing
  - We do not fund any projects where boxing is used as a tool of engagement or as an activity.
- Education, such as initiatives linked to the curriculum, arts or environmental educational projects
  - We do not fund education work including initiatives linked to the curriculum, or arts and environmental education work.
- Animal welfare, captive breeding and animal rescue centres
  - We do not fund work in the areas of animal welfare, captive breeding and/or animal rescue as the main purpose of the work.
- Medical research or treatment, including drug and alcohol rehabilitation services
  - At present, we do not fund medical research or treatment, including drug and alcohol rehabilitation services.
- Work based in prisons that should receive statutory funding and does not pursue wider systems change
  - We do not fund work in prisons or with offenders.
- Individual campaigns
  - We do not fund individual campaigns.
- One-off events, such as conferences, trips, seminars, master classes, summer schools, single commissions, productions or festivals
  - We do not fund one-off events such as conferences, trips, seminars, master classes, summer schools, single commissions, productions or festivals.
- None of the above

6. Is the work that you would like us to fund within one of the following categories?

- Arts – Performing Arts
  - We focus on the creation of the highest quality, nationally significant work, by funding organisations which collaborate with, commission or otherwise support artists to create new or reimagined work. Please see our [Arts category guidelines](#) for more details.
- Arts – Museums and Galleries
  - This fund aims to strengthen those institutions that focus on making use of curatorial skills to attract a wider public. We prioritise applicants from outside the capital, but do consider those based in London where the proposal would bring significant benefits elsewhere. Please see our [Museums and Galleries Fund guidelines](#) for more detail.
- Environment

- Through our environment programme, we aim to achieve greater harmony between people and nature, through the protection, restoration and sustainable use of the natural world. Please see our [Environment category guidelines](#) for more details.
- Social Action – policy, campaigning or advocacy work grounded in lived experience
  - Through our social action programme, we aim to help create an inclusive society where all can thrive, by supporting organisations which work to create positive changes at a systems-wide level benefitting wider society. Please see our [Social Action category guidelines](#) for more details.
